Waiver of Rights – Animals in Distress

The Bernese Mountain Dog Club of the Rockies reserves the right to remove any animal in distress from a parked vehicle or crate, and all persons attending these dog events hereby waive any claim for damages against the clubs for such removal. The Club regards the health, safety, and life of any dog on the show grounds to be paramount to other property or privacy rights. We will attempt to reach the responsible party, but cannot guarantee contact will be made before action is taken.

Please remember to pick up after your dog.

Photographs

Brenda Halverson with Paws in Motion Photography will be at the tests on Saturday afternoon and all day Sunday, taking action photos of the teams and trophy awards. The photos will be available for purchase at a nominal fee from her website at www.pawsinmotion.smugmug.com or phone 303-234-0979. Friends and spectators are still welcome to take their own photographs.

Acknowledgments

This event was made possible through the time and hard work of many volunteers dedicated to maintaining the working abilities of the Bernese Mountain Dog. The BMDCR extends its gratitude to judges Barry Solomon, Stacy Temples, Valerie Horney, Christine Mann, and Patti Davieau for generously giving their time and expertise. We thank our Draft Test Committee, our hosts Barbara and Keith LeTourneau, and our Stewards for their many contributions. Most of all we thank our exhibitors! It is through your dedication that the natural working abilities of the Bernese Mountain Dog may be shared with others.

Judges' Dinner

A Judges' Dinner will be held on Saturday night at Guadalajara Mexican Restaurant, 1.7 miles from the test site.

All entrants, stewards, club members, officials and guests are welcome to attend at their own expense. If you have not already, please indicate that you plan to attend by signing the dinner list at the Secretary's table.

**Bernese Mountain Dog Club of America, Inc.
DRAFT TEST PURPOSE**

The BMDCA Draft Test is a series of exercises designed to develop and demonstrate the natural abilities of purebred Bernese Mountain Dogs in a working capacity involving hauling. The Bernese Mountain Dog has historically functioned as a draft dog in various capacities, and performance of these exercises is intended to demonstrate skills resulting from both inherent ability and training which are applicable to realistic work situations. Efficiency in accomplishment of tasks is essential. It is also desirable that the dog evidence willingness and enjoyment of his work in a combination of controlled teamwork with his handler and natural independence.
