### Bernese Mountain Dog Club of America Draft Test Purpose

The Bernese Mountain Dog Club of America Draft Tests are a series of exercises designed to develop and demonstrate the natural abilities of purebred Bernese Mountain Dogs in a working capacity involving hauling. The Bernese Mountain Dog has historically functioned as a draft dog in various capacities, and performance of these exercises is intended to demonstrate skills resulting from both inherent ability and training which are applicable to realistic work situations. Efficiency in accomplishment of tasks is essential. It is also desirable that the dog evidence willingness and enjoyment of his work in a combination of controlled teamwork with his handler and natural independence.

## Regulations

**Draft Test Regulations:** Entrants are responsible for obtaining the BMDCA Draft Test Regulations (revised as of Jan 2023) and being familiar with them.

## Waiver of Rights

*Animals in Distress:* The Bernese Mountain Dog Club of America, Inc. reserves the right to remove any animal in distress from a parked vehicle or crate, and all persons attending these dog events hereby waive any claim for damages against the clubs for such removal. The Club regards the health, safety and life of any dog on the show grounds to be paramount to other property or privacy rights. We will attempt to reach the responsible party but cannot guarantee contact will be made before action is taken.

## Awards

Each passing team will receive a rosette and a trophy.

The oldest passing Bernese Mountain Dog will receive a special award.

## Class Entry Details

- There will be a limit of **26** entries per test.
- Entry fees \$35 for each single dog team and \$45 for a brace team
- A separate entry form must be filled out for each dog of a brace team and then submitted together. Even though two entry forms are required for each brace team, each brace team will be counted as one entry in the Draft Test entry limit.
- If more than 26 entries are received, they will be prioritized per the following order:
  1. Untitled BMD's in entered class
  2. Titled BMD's without Advanced/Master titles in the entered class
  3. Titled BMDs with Advanced/Master titles in the entered class
  4. Untitled other dogs in entered class
  5. Titled other dogs without Advanced/Master titles in the entered class
  6. Titled other dogs with Advanced/Master titles in the entered class
  - *Note: For brace teams, the dog with the lowest level title in the entered class determines the team's priority. If a brace has a BMD and a non-BMD, it is considered a "BMD team" for the above.*
  - *Note that "titled" means titled in the entered class.*
- Running Order: A separate random draw to determine the running order for each class for each test.
- Entrants must notify the Draft Test Secretary if a dog has earned a title in the entered class, including if the title is earned after the entry has been submitted.

## Attention Exhibitors

- The following classes will be offered: Novice, Brace Novice, Open and Brace Open.

- Handlers must provide their own rigs, harnesses, and tie downs or other means of securing a load on their particular draft rig.
  - Handlers must bring their own weight. Weight will be verified via scale at the test site.
  - Entered dogs must be 24 months old or older on the day of the Draft Test.
  - Bitches in season are not permitted to compete.
- Refunds will be given for bitches in season or injured dogs with a vet cert required at the discretion of the club. Please inform the test secretary Vicky Hall, [rayhall@aol.com](mailto:rayhall@aol.com) if this occurs before April 11; or inform the day-of secretary before judging begins.
- The two dogs of a brace team need not be owned by the same person or by the handler.
  - Un-entered dogs may be present but, like entered dogs that are not in the ring, must be leashed or crated and under control at all times.
  - Please remember to be responsible dog owners and pick up after your dog(s).
